Game Overview

3 Card Draw Poker promises to keep players on the edge of their seats with a bonus of up to 20 to 1 paid out to players irrespective of if they win, lose or draw on their IN TO WIN/DRAW wager, so long as they draw a Straight or better!

How to Play

With easy to follow 3 card Poker rules, players start the game by paying the initial ANTE. After checking their 3 cards, players can either fold, place an IN TO WIN bet equal to the ANTE, or place a DRAW bet equal to the ANTE which allows players to swap a card.

After all player decisions have been made; the dealer will reveal their 4 cards and make the best possible 3 card poker hand. All players that beat the dealer's hand are paid-out on 1 to 1 odds, all tie wagers will push.

Progressive Side-Bet

Players are also able to take part in the optional 3 Card Draw Poker progressive side-bet by placing a bet on the flashing bet sensors prior to the game starting. Players hands that contain a Mini Royal Diamond, Mini Royal Flush or Straight Flush receive a pay-out from the progressive jackpot.
