

What sets the TCSJOHNHUXLEY Sicbo Blaze Table apart?

It's Sicbo, only better! **TCSJOHNHUXLEY**'s Sicbo Blaze brings added excitement to the already popular game with eye-catching Blaze patented game attract animations.

Features and Benefits

TCSJOHNHUXLEY holds the global patent for displaying animated graphics on the gaming surface

Brings additional attraction and excitement to the table for both new and existing players

Assists with dealer accuracy and highlights winning bets for added security

LCD touch screen dealer console

Easy to operate with little training required

Low maintenance and long-life LEDs

Compatible with **TCSJOHNHUXLEY** Dice Shaker and Winning Number Displays

High Impact Illuminated Playing Surface

Sicbo Blaze features patented LED Surface Technology, which brings excitement to the gaming floor. Players and gaming staff instantly benefit from seeing all winning numbers and sections of the Sicbo Blaze game layout clearly highlighted. For further impact, game attract sequences automatically run until no more bets is signalled by the system. With the improved visibility of winning sections, pit bosses and security staff can also easily monitor game procedures from a distance. Sicbo Blaze tables also have the option to feature a countdown clock with large format numbers to clearly illustrate the end of the betting period. Whichever option you choose, Blaze has proven to be a fun and exciting addition to any gaming floor.

A Range of Styles and Finishes

As with all our tables, Blaze Sicbo Tables are available with fully customisable layouts and a wide range of finishes to suit your requirements. Layouts can incorporate your casino's theme, branding and also in the animations.

Ease of Maintenance

Unlike traditional illuminated Sicbo tables that consist of a light box with many individual light bulbs that require regular replacement, the new Blaze LED Surface Technology is energy efficient and has many thousands of hours operating life. Game play is uninterrupted and regular maintenance limited.
