

What sets the TCSJOHNHUXLEY Qorex Accessories apart?

The Qorex range of accessories provide a wide variety of options for configurations including drink holders and cordless charging spots with the wedge assemblies and eye-catching multi colour LEDs.

Features and Benefits

Configurable multi-colour LEDs can indicate game states and denote price of play

Optional integrated wireless charger

Integrated drinks holder

LED illuminated back panels - can be customised

Allows for cable management between terminals

Adjustable levelling feet

Drinks shelf to prevent spillages

Allows terminals to be positioned at angles of 5, 15, 35 and 45 degrees

Wide Range of Accessories

Qorex Terminals offers a wide range of accessories that allow for further customisation including ergonomically designed player shelves that double as spacers in-between terminals and feature the same LED lighting to provide a seamless look. Further player features include wireless charging spots for mobile devices along with drink holders to prevent spillages.

Eye-Catching LEDs

Qorex accessories feature configurable multi-colour LEDs providing an eye-catching addition to any gaming floor. LED's can also be used to denote the price of play or customised to a casino's colour scheme. Furthermore, striking LED illuminated back panels can be customised with your logo or design.

Terminal Positioning Options

Qorex accessories provide various options for configurations through coloured terminal wedges and corner drink rests. With its modular design, terminals can be placed in a stadium configuration with the flexibility of being in a straight row or a curved layout by positioning them up to 45 degrees to each other.
